

Raglan Primary School 2019 -2020 Physical Education and Sports Grant Funding

September 2019-2020 (Lockdown from March 2020)

Area of Focus	Impact
To provide high quality tuition to engage and inspire children in a range of sporting activities	High quality PE is delivered by an external coach to all children at Raglan. Coach continued to work through all lockdown delivering high quality PE to children on site. Coach also provided live PE lessons and competitions for children learning from home. In addition KS2 have had hockey coaching and Year 1 and Year 2 have had tennis coaching and Year 1 have had cricket coaching.
To provide Year 4 pupils with high quality swimming lessons	No swimming has taken place this year due to COVID restrictions, as the children normally swim in the summer term. We are currently exploring the possibility of providing swimming for children currently in Year 4 next year in addition to children who will be in Year 4 to ensure that all children are able to swim confidently. It will not be possible to give children in current Year 5 this opportunity.
To improve expertise of staff in delivering movement and dance lessons	It has not been possible to deliver dance and movement training for staff as it was due to take place when bubbles not able to mix. This will remain a focus on next years SIP.
To deliver INSET based on the PE audit findings	Area highlighted in audit as above. Plan to deliver this training next year.

<p>Links with other subjects that contribute to pupils overall achievement and their greater spiritual, moral, social and cultural skills</p>	<p>Active Maths has continued and also through lockdown. Positive impact on confidence of all children attending sessions. Focus of PE lessons has been on team building and working together, as well as improving skills. Behaviour of children has been excellent during this period of uncertainty.</p>
<p>Extra-Curricular</p>	<p>Sports coach has delivered training to Midday Meal Supervisors in how to support children to be actively engaged at lunch times. New equipment has been prioritised for KS1 and KS2 playing. Daily children actively engaged in a range of sports activities and games at playtime. Year 5 children have been trained as play leaders and were able to support children across the school during the latter part of Autumn term and the Spring term. Children who took part in training have grown in confidence and have supported younger children at playtime and lunch with arranging activities and ensuring all children enjoy the lunchtime experience.</p>
<p>Participation and success in competitive school sports</p>	<p>We continue to provide opportunities for children to take part in competitive sport. Staff members, our PE coach and external coaches run afterschool clubs in tennis, hockey, football and multiskills. PE lead and PE coach identified competitions and sporting opportunities across the borough. We have taken teams to Years 6 girls football tournament Year 5 play leaders – discovery day LP – Primary Pentathlon Curling competition – LP and Year 6 Sports Day went ahead last year, despite the COVID restrictions, ensuring all children had the opportunity to take part in competitive sport. This event took place on site between year groups.</p>
