

Keeping Safe

At Raglan all of the adults around you think that your health, safety and welfare are very important.

In our school we want to keep you safe and protect your rights.

We do our best to help you make good progress in your school work and to be happy.

We teach you how to recognise risks in different situations and how to protect yourselves and stay safe.

How will the staff at Raglan protect you?

We provide a safe environment for you to learn in.

We want to ensure that you remain safe at home as well as in school.

We think it is important for you to know where to get help if you are worried or unhappy about something. We want to keep you safe.

Don't keep it a secret if.....

Someone is upsetting you

Someone is saying things that you do not like or make you sad

Someone is touching you where they should not

Someone is hitting or hurting you

Someone is sending you unkind messages or pictures on the internet or to your phone or ipad.

If you don't think you can speak to an adult in school, leave a note in your class Worry Monster. ChildLine will listen to you and give you help and advice as well.
