

### Build a Rainforest in a Jar

Create your own living rainforest in a jar.

### My favourite animal

Make a poster about your favourite rainforest animal. You could draw and label your animal and write sentences about it. Where in the rainforest does it live? Which group in the animal kingdom does it belong to?

### Seasons

Can you find out about the seasons in the Rainforest?

Draw or write about them.

### Times Tables

Practise your times tables at least 3 times a week and let us know how you are doing!

## Home Learning Jigsaw

### Language Provision – Autumn 1 2023

Choose **one** activity to complete each week, ready for Monday mornings. Once you have completed an activity, either put it in your green home learning book, **or** post a picture of it on SeeSaw.

**You do not have to do both!**

### Model Making

Make a rainforest in a shoebox. Can you include all the layers within your shoe box?

### Rainforest Senses Walk

Imagine you are in the rainforest. What can you see, smell, taste, touch and hear?

Draw a picture of what you can see and write a list of what you can hear, smell, taste and touch.

### Fact Finding

Visit your local library and borrow some books about South America.

What interesting 5 facts can you find out?

### Reading

Remember to read to an adult at home at least 3 times a week.

If you read three or more times a week, you will get a certificate!

### Travel to the Rainforest

Imagine you were going to the Amazon rainforest from Raglan.

How would you get there? What transport could you use?

Show your journey on a map of the world.
