

**Caring for our world – PD**

What would the world be like if no-one cared and looked after it?

Create a poster/leaflet, showing the different ways we can care for the world. Include things that we can do on our own or as a group.

**Investigating Materials**

– **Science** Make a paper plane (using the same design) from several different types of paper. Fly each of them and record your results. Do they all travel the same distance? Do they all fly as well? Which was the best or worst? Why do you think this is?

**Online Safety – Computing and PD**

Being safe online is very important.

Use the link below and watch the videos.

<https://www.thinkuknow.co.uk/47/6-7/>

Write or draw the ways you can keep safe online.

**Catching – PE**

Develop your catching skills by following the 'Chance to Shine' Cool Catcher lesson.

<https://www.youtube.com/watch?v=uYyvkl0tpnk>

At the end, see how many times you can catch a ball in 1 minute without dropping it. Repeat 5 times – can you beat your score each time? Write down how you do!

**Transport and Materials – DT and Science**

Design and make your own flying machine – draw your design first and write a list of which materials you will use. Think about the materials with the most suitable properties.

**Home Learning Jigsaw**

**Language Provision – Spring 2 2024**

Choose **one** activity to complete each week, ready for Monday mornings. Once you have completed an activity, either put it in your green home learning book, or post a picture of it on SeeSaw.

**You do not have to use SeeSaw AND the book!**

**Reading and Spelling – Phonics**

Complete 10 minutes of 'Teach Your Monster to Read' at least 3 times a week.

**Transport – History and English**

Research the history of London Buses through the ages (from the horse drawn omnibus). How have they changed over the years? Create a timeline.

What do you think buses will look like in 50 years time? Draw and label your design.

**Times Tables – Maths**

Keep up the practise at least 3 times a week.

**Money Matters – Maths and PD**

Use the link below to learn all about money, where it comes from and how to look after it.

Write/draw a list of your 'wants' and 'needs' – giving reasons for each item.

<https://www.bbc.co.uk/bitesize/articles/z2dsp4j>

**Christianity (Easter) – RE**

**SHARKS** – Draw a picture of the things you would do if the King was coming to visit you. What would you prepare? How would you dress?

**FROGS** – Research the Christian symbols that represent Easter. Draw pictures of them and explain why they are important to Christians at Easter.
