

ABOUT

NEXT PICASSO art club teaches various painting styles, techniques and theory to 5 - 11 year old. I am an international fine artist and mum of two wonderful children. I want to share my passion for art and show how it aids the development of young people. I enjoy my job as an artist and as an Art Teacher. I deliver fun and engaging art lessons that will help children express their artistic and creative skills.

I believe that in today's technology-driven world, kids need to find escape in the hands-on methods of traditional arts and crafts. Art experiences boost critical thinking as children develop a more careful and analytical way of observing the world..
