

In English we will explore…

The Very Hungry Caterpillar by Eric Carle. We will be learning all about what the very hungry caterpillar ate. This will help us to learn the days of the week!

In Maths we will be…

Exploring numbers by reading, writing, counting and making them with counters, cubes, Numicon and messy play!

We will be counting the foods that the very hungry caterpillar ate.

Key Information

- Please ensure your child brings their **reading book and Reading Record** every day.
- All children should bring a named **water bottle** into school each day.
- Bumblebees will have **P.E** with Coach Alhaji on Fridays and with their class teachers on Mondays. Remember to wear your P.E kit to school on these days!
- Bumblebees will be having **outdoor learning** on Thursday mornings. Please ensure your child comes into school dressed in their PE kits on this day.

Home Learning

Weekend News – Every Friday, your child will come home with a Weekend News book. Please add to the book what you did at the weekend. Email any photos or videos to the school office. This forms part of our learning on Mondays and it is a lovely opportunity for your child to share with the class what they did at the weekend.

Reading –. Please encourage your child to look at their reading book every day. New reading books will come home on Wednesdays and Fridays.

Numbots – Log on and complete activities to support the children's learning at your own pace. Aim to play for 3-5 minutes, four or five times a week (logins are stuck in Reading Journals).
